Childcare Volunteers Needed: Please use [this link](#) to access the 10 AM Nursery sign-up sheet. 10 AM Childcare will be closed for the summer. Children are always welcome to use coloring materials and story books that are available in the Narthex during the service.

AED Project: When a person suffers cardiac arrest, survival depends on the ability of bystanders to act immediately. Simply performing hands-only CPR can double or even triple a victim's chance of surviving the event. Having an automated external defibrillator (AED) close at hand can also greatly increase the chance of survival. The Vestry is raising funds to purchase an AED that will be located in the Narthex. The total cost of this project is estimated to be less than \$1500, and any contribution you can make would be greatly appreciated. Please write a check to Holy Family with "AED Project" in the memo line or talk to Cheryl Burke or Doug Tannas.

As part of this project, we plan to arrange for bystander CPR classes so that our ushers, teachers, staff, and the congregation in general can learn and practice these critically important procedures. In the meantime, please take two minutes to go to heart.org/handsonlycpr to quickly learn or review the basics. You may be able to save a life!

Tie-Dye Summer Shirt Order: Holy Family is now taking orders for new rainbow tie-dye t-shirts in youth and adult sizes. The cost of each shirt is \$15. Please click [HERE](#) to place your order by Sunday, June 3rd. Contact Jolene Johnston for more information. jjohnston@hfec.org
