

Five Reasons to Make a 2021 Pledge to Holy Family

1. Holy Family relies on the generosity of its members to power its mission and ministries. Financial commitments from members of the congregation account for **more than 90 percent** of the funds that support our worship services; pastoral counseling and care; Christian formation for children, youth and adults; mission outreach; fellowship and other activities.
2. The Book of Common Prayer (page 856) says that it's the duty of all Christians to: 1) follow Christ 2) come together week by week in worship and 3) to work, pray, and **give** for the spread of the kingdom of God.
3. Make a financial commitment to the church in response to God's grace. The pandemic has disrupted numerous facets of all of our lives, but God's blessings to us continue uninterrupted. So, we give to the church as a small token of thanks for all that God has given us.
4. Giving regularly to the church is a practice that draws us nearer to Christ. Centuries of Christian experience have demonstrated that the best way to strengthen that relationship is through regular practices of prayer, worship, service to others in Christ's name and **giving** to advance the Gospel.
5. Give to build a legacy for those yet to come through our red doors. Nearly 30 years ago, the founding members of Holy Family laid the foundations for a congregation that would serve not only themselves and their families and friends, but others who would come in the future. Give to Holy Family to support a perpetual community of faith.
